If you enjoyed Gary Jennings' *Aztec*, Ben Nuttall-Smith's *Blood Feathers and Holy Men* is the book you've been waiting for. This blending of Irish, Norse, and Precolumbian mythology will keep you turning pages. Peopled with intriguing characters and with a meticulously researched historical background the action is non stop from shipwreck to Aztec sacrifice as the legend of Quetzalcoatl the feathered serpent is given a truly original twist.

Patrick Taylor. *New York Times* and *Globe and Mail* best selling author of the *Irish Country* series.
